Sub. Regarding teachers' feedback session 2022-23.

R/Sir,

With due respect it is submitted that in reference to letter no. 3962 of 06/12/2023 about the teachers' feedback that:

We got the overall positive responses about the Curriculum, infra, teachers satisfaction but there we got some valuable suggestions that should must be addressed, we are submitting these suggestions and the pie chart report to the Principal office for suitable action, this is for your kind information and necessary action please.

Thanking you.

Teachers feedback analysis report (2022-23)

Suggestions
1. Research needs to be promoted. The college has enough infrastructures to establish research centre. Seminars, conferences need to be organized.
2. Skill based courses can be introduced.
3. Non - Teaching staff need to do orientation program and they must learn professional ethics.
4. Teachers can be conveners of various activities and committees but for preparation of the bills etc and maintaining proper record non teaching staff should be attached with various offices so that teacher can stay focused on teaching.
5. Higher Education Department is requested to maintain teacher student ratio. In English dept. there is workload of 19 and only six teachers are there. Teaching six or seven different courses by a teacher adversely affects the quality of teaching. So rationalization is suggested.
6. Renovation of chemistry lab.
7. Each Class room should be smart classroom.
8. Lost and found department should be in college.
9. More emphasis on academics rather than non teaching work.
