Activity Report

Topic: Extension Lecture on "Success in Civil Service Examination"

Date: 9th April 2025

Venue: Room No. 123, 1st Floor, Commerce Block, Govt. College, Jind

The Guidance Bureau and Placement Cell organized an extension lecture on 9th April 2025 on the topic "Success in Civil Service Examination". The resource Person for the session was Sh. Sandeep Sharma, District Development and Panchayat Officer, Jind.

Sh. Sharma delivered a highly insightful and motivational talk aimed at guiding aspiring civil service candidates. He thoroughly discussed the complete structure and stages of the Civil Services Examination and elaborated on the strategies required for effective preparation. He stressed that students must remain focused, confident, and determined throughout their journey. He strongly advocated for consistent study, along with regular engagement with current affairs.

As part of his recommendations, he advised students to develop a habit of reading newspapers, beginning with The Tribune for foundational understanding and gradually transitioning to The Times of India for broader coverage. Additionally, he suggested reading two important magazines — Yojana and Kurukshetra which, according to him, are highly beneficial and fruitful resources for civil service preparation.

The lecture proved to be extremely beneficial for the students, providing them with practical guidance and a clearer roadmap for success in one of the most prestigious examinations in the country.

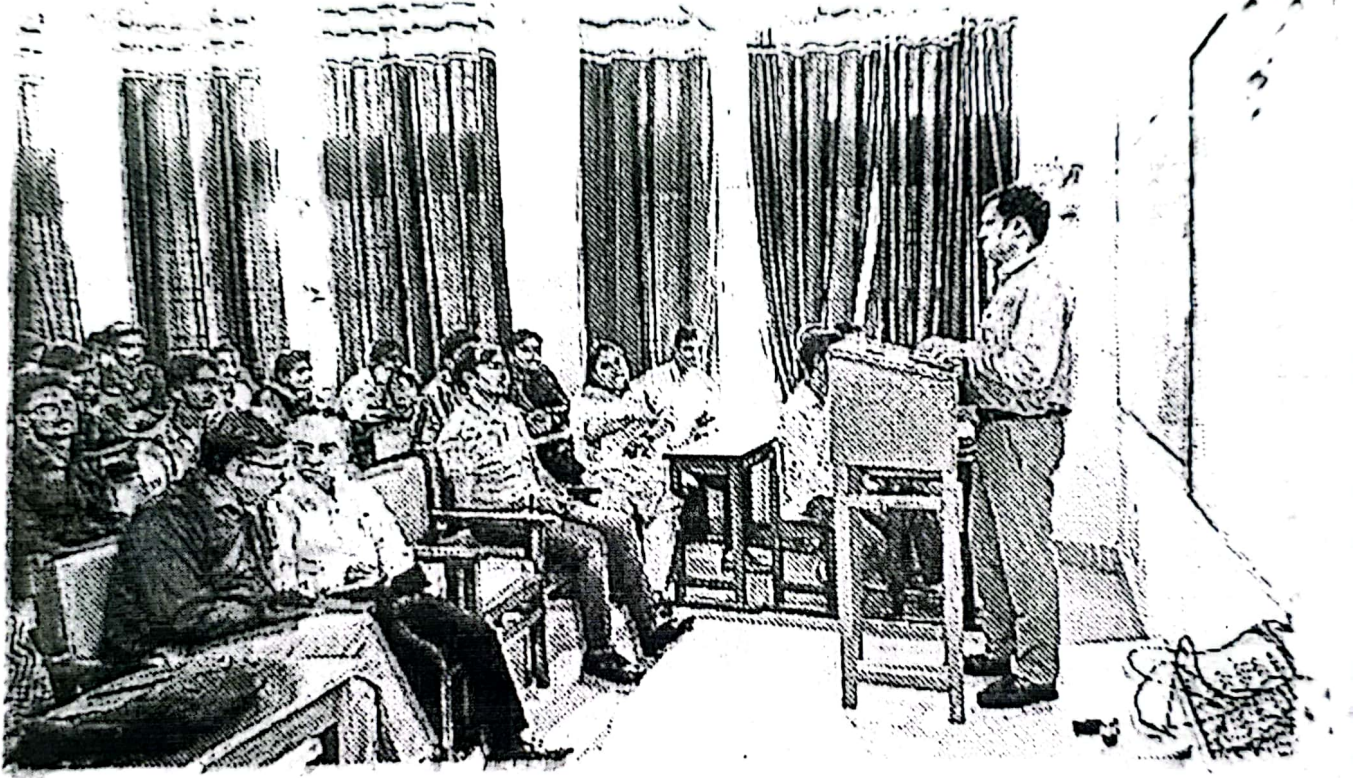

The session witnessed active participation from 93 students.
